🎓 Education

Bachelor of Engineering
CANARA ENGINEERING COLLEGE ⧉
2019 – 2023 | Mangaluru, India
8.73 CGPA

Pre University College
CANARA PRE UNIVERSITY COLLEGE ⧉
2017 – 2019 | Mangaluru, India
87.33 %

High School
AMRITA VIDYALAYAM ⧉
2017 | Mangaluru, India
8.6 CGPA

📁 Projects

Fake Tweet Detection ⧉
This project aims to develop a fake tweet detection system using the Multinomial Naive Bayes algorithm, which is a probabilistic classification model based on Bayes' theorem.

Aakriti Website ⧉
This is a College fest website that is designed to register for the events. The main objective of this project is to help the college students to checkout the event rules and register for their event and pay for the same.

Personal Portfolio ⧉
The purpose of this project is to create a portfolio website that showcases the work and skills of a designer or developer. The website should be visually attractive and organized so that visitors can easily find the information they need.

Kool Screen ⧉
This is a Flutter wallpaper app that provides users with an extensive collection of high-quality wallpapers from Pexels.

Note Down App ⧉
This app is designed to allow users to quickly and easily take notes privately. It will have a simple and intuitive interface that allows users to quickly jot down ideas and thoughts.

Student Attendance Management ⧉
This is a DBMS project that is designed to manage student attendance. The main objective of this project is to help schools, colleges, and universities maintain accurate attendance records for their students.
